

XINGTONG (LOUISA) LIN

xingtonl@andrew.cmu.edu | linxingtong2023@outlook.com

(+1): 4126085710 | (+86): 13910969793

EDUCATION

Carnegie Mellon University GPA: 3.81 / 4.0

Candidate: B.S in Neuroscience, additional Major in Biomedical Technology

Pittsburgh, PA

August 2024 - May 2028

Relevant Coursework

Integration and Approximation, Concepts of Mathematics, Modern Chemistry II, Fundamentals of Programming and Computer Science, Physiology, Honors Modern Biology, Molecules to Mind, Biomedical Engineering Laboratory, Professional Issue in Biomedical Engineering

RESEARCH EXPERIENCE

Yttri Lab | CMU

Pittsburgh, PA

Research Fellow for credit; P.I. Dr. Eric Yttri

January 2025 - Present

- Training animals for behavioral analysis and learning animal surgery
- Using Python for data analysis of z-score data and PSTH plots
- Studied MATLAB, Arduino, and other qualitative / quantitative method for data analysis

Wang Lab | Tsinghua University

Beijing, China

Research Assistant internship; P.I. Dr. Xiumei Wang

May 2025- August 2025

- Handling techniques for cell cultivation (NSC, Neuroglia, HAPI, HUVIC) and hydrogel related experiments.

CONFERENCES

Meeting of the Minds Undergraduate Research Symposium | CMU

Pittsburgh, PA

Attendee

April 2025

- Presenting current research poster on decision making along a semi-continuous dimension in an open field arena

WORK EXPERIENCE

CMU SASC

Pittsburgh, PA

SI Leader for 03-121 Modern Biology

August 2025 - Present

- Helping students to handle key concepts for the course and do well on exams.

GluNovo

Pittsburgh, PA (Remote)

Overseas Business Development Intern

February 2025 – June 2025

- Collaborated with partners worldwide, facilitating cooperation with companies in US, Uzbekistan, and Malaysia

Stealth Startup

Pittsburgh, PA

Product Design Intern

September 2024 – January 2025

- Responsible for designing the Edu. AI product, hands on experience with UI/UX (Figma).

LEADERSHIP EXPERIENCE

CMUCSSA

Pittsburgh, PA

Member of External Relations Committee Member of the Career department

August 2024 – Present

- Connecting with HRs from world top 500th Companies, including Midea, Longfor Group

SASE

Pittsburgh, PA

Member

January 2025 – Present

ACADEMIC AWARDS

- Global Gold Award Winner of the British Biology Olympiad 2023

June 2023

- Gold Award Winner of Bio Olympiad USA-China (Bio USACN 2023)

September 2023

SKILLS

Languages: Mandarin (Native); English (Proficient). Cantonese (Intermediate)

Programming Languages: Python, MATLAB, Arduino

Interests: Singing, Piano, Debating.
